RE: SIGOURNEY SMITH

According to information furnished by your office, Charles Denton was reported to have been a friend of above named.

Charles Denton at present resides at 40 Cedar Street, New Brunswick, N.J., and is employed at the Van Liew Laundry.

Denton informed me that he has known Smith for a number of years and that at the time of the murder, he and Smith were employed at the Elmwood Cemetery. He claims that Smith never discussed the murder with him, nor had he ever heard Smith claiming to know anything about it. He says that Smith is a heavy drinker and he is unreliable.

Respectfully submitted,

David Thompson
